## About Us

Manipal College of Health Professions (MCHP)

Manipal Academy of Higher Education (MAHE) is one of India's leading academic and research institutions. It has been granted Institution of Eminence status by the Ministry of Education, Government of India. MCHP is the constituent unit of MAHE, Manipal established in the year 1999 as the first institution in India exclusively dedicated to the education of allied health professionals.

### Department of Nuclear Medicine

The Department of Nuclear Medicine was established under MCHP in year 1999. The department carries out a wide range of activities involving diagnosis, therapy and research use of radionuclides. The department is one of the centres in India for training of Nuclear medicine health professionals. Department also houses AERB approved Nuclear Medicine Type 2 Laboratory and a Pre-clinical Research Laboratory.

## About the Workshop

RADIANCE was first started in the year 2013 as a signature program of the department to collectively develop our knowledge and network in Nuclear Medicine. In the year 2023, RADIANCE was conducted on the theme- "Nanotechnology in Nuclear Medicine".

In RADIANCE 2024 program, explore the "Radiation Safety Aspects in Nuclear Medicine" and engage with the experts as they uncover newer radiation safety procedures and recent radiation safety guidelines. Join us to uncover the brilliance of nuclear medicine at our immersive RADIANCE Workshop.
