INTERNATIONAL TRANSFER PROGRAM IN ENGINEERING

Leading Opportunity to Graduate from a top University Abroad

Manipal Academy of Higher Education

Manipal Academy of Higher Education (MAHE) is a premier Deemed to be University under Section 3 of the UGC Act, 1956, Government of India. It has just been accorded the prestigious 'Institution of Eminence' Status by Ministry of Education, Government of India and is Ranked #1 in QS World University Rankings amongst the Indian Private Universities. MAHE is synonymous with excellence in higher education. With its variety of educational and professional skill enhancement courses, MAHE has been building up its strength year to year, and is being recognized now as a leading quality education service provider and has significantly contributed in continuously improving the standards of higher education in India. It is a pioneer of the 'Inspired Learning' approach to higher education. Its academic delivery model goes beyond classroom education to provide a holistic learning experience.

Over 35,000 students from over 67 different nations live, learn and play in the sprawling University town, nestled on a plateau in Karnataka's Udupi district. MAHE's alumni network numbers over 1,70,000 – a community as important to us as the new students who walk in.

Backed by an infrastructure that is comparable to some of the best in the world along with a highly qualified and respected faculty, Manipal Academy of Higher Education presents an evolved environment of teaching and research.

International Centre for Applied Sciences

Established in 1994, the International Centre for Applied Sciences (ICAS), Manipal Academy of Higher Education, has been facilitating a unique International Transfer Program in Engineering. Under the program, students can complete the first two years of study at Manipal Academy of Higher Education, India. The following two years can be pursued at a premium university in the foreign country of their choices such as USA, UK, Australia, Germany, Canada, France and many more by transferring their credits obtained from the first two years of study. On completion of the program, the student can obtain an Engineering Degree awarded by the destination international university. In case, students do not opt for the international transfer, they can continue their third year of study at Manipal and on its completion can obtain BSc (Applied Science) degree from MAHE.

Over the years, about 100+ foreign universities have been accepting ICAS credits, thus offering a wide range of universities from which the ICAS students can pursue their final two years. The students are free to apply to any foreign university of their choice thus providing them a perfect platform for an international experience.

This unique program is made possible by adopting all the teaching and evaluation methods that are followed by universities abroad, thus enabling an easy transfer to any foreign university. As a testament to the success of this program, ICAS has seen over 2,300 students pass through its campuses and continue their studies abroad.

By joining ICAS, you will get an opportunity to experience your student life along with MIT's vibrant and diversified student campus.

The students also benefit from the flexibility of choosing or changing the branch or major area of specialization after entering the program at foreign universities.

For example, a student who has opted for the mechanical branch may change to aviation or Aeronautical and mechatronics streams and a student who has opted for electrical and electronics during the first two years at ICAS may change over to communication stream.

The International Transfer Program in Engineering

An initiative of MAHE Manipal, The International Transfer Program in Engineering is a unique 4 year engineering credit transfer program with an objective of providing International exposure to Indian students. Students complete the first two years of the program in MAHE Manipal, India and the following two years in a premium university in USA, UK, Australia, Canada, France, Ireland etc.

The student graduates with a regular engineering degree from an international university at approximately 40% lower cost than that of a regular engineering program at these universities.

The Program in a Nutshell

- An internationally recognized engineering degree from renowned universities abroad.
- Tied-up with 40 premier institutes in the USA, UK, Australia, Canada, France, Germany and Ireland. Generally first two years in MAHE Manipal, India and the next two in a university abroad.
- Internationally recognized and globally accepted curriculum. Seven Engineering disciplines, to choose from.
- A wide range of International universities to choose from.
- Students are eligible to apply for credit transfer to other renowned institutions. Opportunities for paid internships abroad.
- Exposure to global engineering standards, work culture and environment. Global internship and excellent job opportunities abroad.

Program Pathway

1st & 2nd Year

At MAHE,
Manipal

3rd & 4th Year

At A University
Abroad

GRADUATE WITH
AN ENGINEERING
DEGREE FROM AN
INTERNATIONAL
UNIVERSITY

▶ Message from The Director

Dr. Hareesha KS

Director, ICAS

Manipal Academy of Higher Education (MAHE) is an ocean of knowledge to learn and explore opportunities to enhance the quality of education through innovation. International Centre for Applied Sciences (ICAS) a unique constituent institute of MAHE started in the year 1994, always leads from the front to provide the best articulation pathways to create world-class engineers and expose them to the global market.

International credit transfer courses offered at ICAS are tailored to provide a strong technical foundation to compete at the global level. We are committed to providing our best to enrich the students' knowledge quotient and full fill their learning aspirations. We are clear that it is our obligation to help them to acquire technical skill sets and prepare well to compete in the global market in their future endeavors.

The MAHE has a strong network of 100+ prestigious universities abroad including the USA, Europe, Canada, Australia, Germany, France, and many more. The students have the flexibility to seek admission to any university of their choice.

I extend a warm welcome to join the ICAS family, it is indeed a gateway to unfold career opportunities worldwide. We are here to handhold and nurture you to fulfill your aspirations. I wish one and all a very great success !!!

The ICAS Program Advantage

30 successful years of operation

Cost saving of upto 40%*

Over 2300+ students graduated from international universities

International Placement Opportunities

Articulation with International Universities

Average salary package may be USD 50000-85000 per annum

2 Years of Academic Grooming

100+ universities accept ICAS credits

Engineering Stream Flexibility while transferring

*Savings ranging from 50 Lakhs to 1 crore rupees on average

Manipal Academy of Higher Education Advantages

Institution of Eminence

33,000+ STUDENTS from 67+ countries live and learn in the University town

375+ CAREER CENTRIC COURSES across 31 diverse disciplines

2800+ RENOWNED FACULTY MEMBERS from across the globe

100+ TOP MNC'S visit for recruitment

70+ PATENTS FILED in last 2 years

250+ COLLABORATIONS with International Entities

Dedicated Pathway Program: Deakin

The reputed 'Deakin University, Melbourne/Geelong, Australia' in association with ICAS, MAHE, Manipal is offering 'Dedicated Pathway Program' in Engineering for a selected cohort of students. ICAS will recruit separate cohort of students for Deakin pathway from 2021 intake, after admission to ICAS programs, in association with Deakin South Asia Office.

Subject to students meeting Deakin's entry requirements for UG engineering programs, Deakin will provide conditional offer to these students when they enrol at ICAS under 'Deakin Cohort' (subject to successful completion of the ICAS program and meeting English language requirements)

Deakin will conduct two summer schools to introduce Deakin Curriculum/Project Oriented Design Based Learning (PODBL) for this dedicated cohort of students: first summer camp will be in Geelong/Melbourne after their completion of semester 2 (two week period); second one will be at Manipal after the completion of semester 3 (one week duration). Students will cover the cost of travel and accommodation to Geelong/Melbourne (June/July)

Deakin will provide 10 Scholarships of AUD \$1500 for top ten students in the cohort who have achieved CGPA > 3.0

Dual Campus Programs

ICAS Manipal now offers a unique Dual Campus Program where students can study the 1st & 2nd year at ICAS, MAHE (India) and the 3rd & 4th year at either MAHE Dubai or MIU Malaysia. Under this program, students can graduate with an engineering degree and an international exposure from Manipal campuses in Dubai or Malaysia.

1st & 2nd Year
At
ICAS, MAHE

3rd & 4th Year
At
MIU Malaysia /
MAHE Dubai

MAHE Dubai Campus

MIU, Malaysia Campus

Streams Offered at ICAS

Computer Science & Engineering

Specializations offered:

Artificial Intelligence & Machine Learning

Big Data Analytics

Cyber Security

Aeronautical/Aviation Engineering

Chemical Engineering

Civil Engineering

Electrical & Electronics Engineering

Mechanical Engineering

Mechatronics Engineering

Eligibility to Apply

Students who meet the below mentioned criteria are eligible for the ICAS program

- Pass 10+2 (CBSE, ICSE, 'A' Levels, IB, HSC, OSSD, American High School Diploma or equivalent examination).
- Minimum of 60% (aggregate) or 'C' grade in English, Physics and Mathematics with Chemistry or Biology or Computer Science or Biotechnology or Electronics as optional subjects in the 11th and 12th standard.
- Students from non-english medium of instruction are eligible to apply if they obtain a score of above 90 in the TOEFL exam.
- Diploma holders (after 10th) are not eligible for the program.

For more information on the program and eligibility criteria, please visit: www.manipal.edu/icas

Application Process

Registration Instructions

- Register by providing your Full Name, E-mail Id, Mobile No & State of Domicile.
- Verification of E-mail Id provided at the time of registration. Login to the portal and complete the application. Keep softcopy of passport sized photograph and your signature ready, for upload.
- Application Fee Payment of Rs.2,000 via online fee payment.
- Upload scanned copy of your 10th, 11th & 12th marks cards in the application portal for eligibility check, when available.

visit: [www.https://apply.manipal.edu](https://apply.manipal.edu)

Fee Structure 2024

Indicative fees are shown below (living expense extra):

Year	Campus	Course Fees*
1	Manipal	Manipal 5,05,000
2	Manipal	Manipal 4,95,000
3	Abroad	Approximately US\$20,000 to US\$45,000
4	Abroad	Approximately US\$20,000 to US\$45,000

NOTE: • Tuition fees for year 3 and 4 will depend on the university to which the student will transfer. The mentioned figures are approximate.

- The students who opt for BSc (Applied Sciences) degree and continue their studies at Manipal, have to pay the third year tuition fee as prescribed by the University from time to time.

Fee Refund Rules

If the student chooses to withdraw from the program of studies in which he/she is enrolled, the refund of the fees will be made as per the details given below:

*(Inclusive of course fees but exclusive of caution deposit)

S.No	Percentage of Refund of Aggregate fees*	Point of time when notice of withdrawal of admission is submitted to the University
1	100%	15 days or more, before the formally-notified last date of admission.
2	90%	Less than 15 days before the formally-notified last date of admission.
3	80%	15 days or less, after the formally-notified last date of admission.
4	50%	30 days or less, but more than 15 days after the formally-notified last date of admission.
5	0%	More than 30 days after the formally-notified last date of admission

The last date of admission is generally the day prior to the Orientation day.

- In case of No. 1 in the table above, the University shall deduct 5 % of the aggregate fee or Rs. 5000 (whichever is lower), as processing charges from the refundable amount.
- Any student who withdraws from the course as mentioned in No.5 in table above, will be required to remit to the University, in addition to the amount already forfeited, the course fee payable for the remaining period of the course.
- All refunds will be processed as per the above table; by the MAHE Student Finance Office based on the recommendation of the Director (Admissions).
- In case of Foreign / NRI candidates, the refund will be made in accordance with RBI / foreign exchange regulations.
- Application fees, once paid shall NOT be refunded under any circumstances.
- The above refund rule information is indicative only and University reserves the right to make changes as per the notifications received from the concerned statutory / regulatory authorities from time to time. Any changes made, in the above will be updated in the website.

Details of Hostel Fees for First Year ICAS Students 2024-25

The Accommodation options earmarked for 1st year ICAS students for the academic year 2024-25 and their respective charges are as under (All fees mentioned below are in Indian Rupees):

Boys

Hostel Block	Type of Accommodation	Annual Hostel Facilities Fee	Hostel Deposit	Utility Advance	Mess Advance	Total
XX BLOCK	Deluxe Single. Attached Bath AC	98,000	15,000	44,000	46,000	2,03,000
	Deluxe Single Attached Non AC	80,000	7,500	26,000	46,000	1,59,500

Girls

Hostel Block	Type of Accommodation	Annual Hostel Facilities Fee	Hostel Deposit	Utility Advance	Mess Advance	Total
XXII Block	Double Attached Bath AC	70,000	15,000	39,000	46,000	1,70,000

System of Online Hostel Allotment & Payment

- Only Online system of selection & payment will be followed by applicants.
- After successful admission, students are required to submit online application for hostels by logging in to: <http://hostel.manipal.edu> using Application No. & Date of Birth.
- All available seats will be displayed in the link. Student can select the accommodation of their choice in the available hostels which will be displayed in the link.
- Once selected, the option will be available for a limited time (15 minutes only). The hostel fee payment should be done online immediately.
- On confirmation of selected accommodation, they shall complete the online payment through payment gateway provided in the link.
- Applicants are required to keep their Credit/ Debit Card ready. Incase of netbanking, the same should be activated before payment.
- There is an option of change of room (only once). The student can revisit the link and change the room & pay the difference amount there itself.

Student Testimonials

With its sprawling campus, myriad amenities, distinguished alumni, and a curriculum focused on holistic development, ICAS provides just the perfect environment that not only supports a student's academic goals but also provides a stimulating physical and social environment.

▶ **Ameesha Basera**

ICAS Alumnus, Batch of 2017-2019
Transferred university: The University of Queensland
Achievement: Femina Miss India Uttarakhand 2023

ICAS was a very good experience which gave me the foundation and was a stepping stone to a good university abroad. I made some amazing friends and have fond memories of my time in Manipal which I will cherish forever.

▶ **Tanmay Bagaria**

Software Developer at Oracle
ICAS Alumnus, Batch of 2016-2018
University of Wisconsin-Madison, USA (B.S. in Computer Science)

I feel this program was the best fit for me as I was not mentally ready to fly off for my bachelors right after my highschool graduation.

Looking back, these two years at MAHE feel like one of the best years of my life.

▶ **Prarthana Jayanna**

Alumna of 2017-19 Batch of ICAS
Game developer at Reel Time Gaming, a gaming company based in Brisbane.
BE Hons -University of Queensland in 2021

ICAS gave me the opportunity and the resources to push my limits, and I have never stopped since.

▶ **Utsav Agarwal**

ICAS Alumnus of 2018-20 Batch of ICAS
University of Edinburgh (2022)

ICAS has made me a more confident person who is ready to face the world. It taught me that sticking to your priorities is crucial to succeed

▶ **Aditya Kothiwal**

ICAS Alumnus, Batch of 2014
Destination - Drexel University (2012-14)

ICAS is a very good vantage point to launch your career, now it depends on you to take that initiative and turn it into something amazing.

▶ **Thirthak Saha**

Saha (Featured in Forbes 30 under 30 list) ICAS Alumnus, Batch of 2013
Destination University - Drexel University 2013 -2016

ICAS program is at par with universities in the USA - perfect for students who want to pursue their higher studies abroad

▶ **Rea Mammen**

ICAS Alumnus, Batch of 2020-22
Destination - University of Wisconsin, Madison

Admission of ICAS Students in Foreign Universities since 2010
