

## **About ACCA Integration with B.Com (Honors) and M.Com - FA Programs**

*The students of both B.Com (Hons) and M.Com - FA programs have an opportunity to obtain ACCA (Association of Chartered Certified Accountants) certification*

*ACCA certification is a gateway to a more successful finance and accounting career especially in Europe and Middle East.*

The ACCA course structure is fully mapped on to the syllabus of the University. This is given in the table below. The exemptions available for the University students who register under this course are also indicated as below:

| <b>ACCA examination</b>                      | <b>Integrated</b> | <b>Exemption available</b> |
|--|-------------------|----------------------------|
