Greetings from Manipal Academy of Higher Education (MAHE), Manipal, an Institution of Eminence (IOE)

To make you more conversant and confident with the Manipal Entrance Test (MET) Test environment, we are providing you a **Mock Test**.

Mock Test can be taken online via desktop / laptop / Mobile. However, the actual Manipal Entrance Test (MET) is a Centre based online test. To understand the features, it is highly recommended to attempt the Mock Test on Laptop / Desktop only.

VERY IMPORTANT:

As Mock Test option is provided to the candidates to know the features of the Test environment, there are differences between the Mock Test and Actual Test environments as below. Hence, the candidates MUST NOT take Mock Test Environment as a reference for the Actual Test
