

FACULTY POSITIONS

Manipal Academy of Higher Education (MAHE), Manipal, an Institution of Eminence invites applications from eligible candidates for the faculty position at the Prasanna School of Public Health (PSPH), MAHE, Manipal.

PSPH mission is to focus on enabling better decision-making on health policy matters through our research and in training next generation of public health leaders through our academic endeavors. We are part of the prestigious Manipal Group which contributes significantly towards Education, Health Care and other core areas of nation-building through our various enterprises. Department of Health Policy at PSPH included One-health as one of the specialization in the Master of Public Health (MPH) programme, and might start a full-fledged Master of Science (MSc) course as per demand.

For more details, visit: <https://manipal.edu/psph.html>

Eligibility

- Requires a Doctorate degree focused on One-health related topics at Post-graduate or Doctoral research level. Preference will be given to those who have experience in one-health focused research/teaching or zoonotic disease surveillance or outbreak investigations and responses, and field/laboratory data collection/diagnostics.
- The prospective faculty should be capable of developing and updating course curriculum, teaching, supervise MSc and PhD scholars, and to conduct funded research in One-health topics, in addition to support academic and non-academic activities at PSPH/MAHE.

The subject field in the email must contain: Faculty Position – Department of Health Policy, PSPH, MAHE, Manipal

Eligible candidates may apply with a detailed CV including copies of certificates in support of qualification experience, research publications via email on or before June 03, 2024 to:

Director – HR
