

Junior Research Fellow

Applications are invited from candidates interested to work as Junior Research Fellow (JRF) under the Department of Science and Technology funded project at Manipal Institute of Technology, Manipal. The project will focus on the development of automatic control systems for adjustable fluid film bearings. The JRF will be required to work with a team of Instrumentation and Mechanical engineers.

Name of position : Junior Research Fellow (JRF)

Qualifications : First class B. Tech/B.E. in Mechanical/ Electrical and Electronics/Electronics and Instrumentation/Mechatronics with not less than 65% aggregate or not less than 6.5 CGPA and First class M.Tech/M.E in relevant disciplines (Research experience on control systems will be given preference)

Desirable : GATE score

Duration : 1 year (extendable for further one year on satisfactory performance)

Remuneration : Rs 37500/- pm + 9%HRA (For Gate Qualified candidates)
Rs 25000/- pm + 9%HRA (For Non-Gate Qualified candidates)

The selected candidate is eligible for on campus Hostel (based on availability) & Mess facilities at their own expenses.

The date of interview will be communicated to the selected candidates by e-mail or phone. Selected candidates are expected to join the position within a week of the intimation of their selection or else the position will be offered to the waitlisted candidate. Selected candidates can register for their PhD at MAHE Manipal in the same area as that of the project.

Candidates possessing the requisite qualification may send detailed CV with copies of relevant certificates in support of the qualifications and experience, contact address, contact number and e-mail address with supporting documents to the following email id / address by February 20, 2024. No TA/DA will be paid for attending the interview. Shortlisted candidates will be informed via email to appear for the interview.
