Community Medicine, KMC, Manipal..

Biosketch:

Dr. Muralidhar M Kulkarni is working as Associate Professor in the Department of Community Medicine at Kasturba Medical College, Manipal Academy of Higher Education, Manipal, Karnataka, India. He is involved in teaching Community Medicine to Undergraduate and Post Graduate students.

His research areas of interest include epidemiology of non-communicable diseases and substance use including tobacco control. He is keen to explore aspects related to Multimorbidity from the on-going and recently concluded projects and provide evidence and scope for further research in this area.
