Student Support Centre

The Student Support Centre (SSC) is a completely confidential service devoted to supporting the emotional well-being of students. Keeping in mind that going to large hospitals often causes distress and dissuades students from seeking help, the Centre is located in a quiet residential area that ensures privacy and accessibility.

Students can consult with qualified clinical psychologists and all services are covered by Medicare, so there are no payments to be made at the Centre. SSC files are delinked from academic records and hospital records.

SSC is a safe comfortable space that protects student confidentiality and prioritises their wellness. Additional and helpful resources are available on a continually updated website:

ssc.manipal.edu

Some of the situations in which students can benefit from seeking professional help include:

- coping with sustained sadness or anger
- trouble with concentration and academics
- grief and loss of someone or something important
- inability to move past a traumatic event
- difficulties with sleep and mood
- feeling socially isolated
- wanting to change something about oneself but being unable to
- dependence on stimulants
- disturbing thoughts that cannot be controlled
- loss of enjoyment in things that previously gave joy
- recurrent stress and anxiety
- just not feeling like oneself on most days

Anti Ragging

As we know it is mandatory as per the Hon. Supreme Court & UGC/MHRD Regulations that all students fill in an Anti Raging Undertaking, each year. To make the process easy MHRD has developed an ONLINE Facility.

Undertaking can be filled ONLINE at:

www.amanmovement.org (OR) www.antiragging.in

All students should fill their Undertaking on any of the two web sites.
